Dear Charing Cross Owners & Residents,

The Association has hired TreeEx for a community-wide tree project, which is starting this week and is expected to take 2-3 weeks to complete.

This project will include removal of various trees which are all either dead, declining, or have been deemed hazardous by the arborist.

This project will also include pruning of all community trees for clearance away from buildings, walks and roads.

Thank you to everyone for your patience during this community project.

Sincerely,

Board of Directors
